

THE GROWTH MINDSET TEACHER'S GUIDE

Admit your mistakes.

Be curious.

Reflect.

Be positive about yourself.

Question yourself.

Learn from others.

Create an inclusive classroom.

Don't give up on a weak student.

Be mindful.

Be flexible with assessment.

Don't spoon-feed.

Motivate yourself.

Don't label your students.

Take care of the students who do well.

Embrace the digital revolution.

Mind your language.

Know your students.

Encourage an open dialogue classroom.

Use emotional intelligence.

Be authentic.

Encourage your students.

Plan and prepare.

See the big picture.

Relax and listen to your body.
